Annette Rearick

Joined Board 2020

Annette Rearick is a Clinical Research Coordinator at OSU Wexner Medical Center. Her son Nathan is a Champion on the Team.

When not coordinating all of Nathan's appointments, therapies and other activities, Annette enjoys working out at Orange Theory Fitness, walking the Metro Park trails and trying out a new restaurant or winery. She also volunteers with the food pantry at her church.

Annette lives in Canal Winchester with her husband Kevin and Nathan.
