Jim Baumbusch is retired from a career in Computer Operations at both OCLC and Motorists Insurance. He leads semi-annual food drives at St. Joan of Arc Catholic Church to support Home For Families in downtown Columbus. He also works at a food pantry in Delaware one day a week.

He discovered the Team through his wife Ellen, who had been working with several Team volunteers. He now serves as Team president and as a lifelong runner believes the Team is a good way to give back and help others experience the joy of running and racing.
