

Champion Alex Roberts- McEwen

Alex is a very loving, cheerful, hard-working and active 23 year old. Alex is Australian and American. He moved to Ohio from Australia with his family in 2017. He loves meeting new people, loves his friends, family and his dog, Bob. Among other things, Alex loves to run and take walks, trains at the Dublin Community Rec Center, attends Northwest Presbyterian Church, and DreamShine Day Program.

Alex is looking forward to running with Team Heart & Sole so he can run with people and maybe make friends, much more than seeing how fast he can go. People will see him go his fastest when he's chasing after music.

Alex loves music and will introduce everyone he knows to Phantom of the Opera and a host of Broadway musicals. Alex gets his energy from people and will try just about any adventure as long as there is someone he trusts to watch out for him. He's observant, quick, funny, and bright. Alex speaks with his face, body, hands, by spelling on a letterboard and using a device with the Words for Life app.

Alex looks forward to meeting each of you.
