

Brayden Storm

Brayden Storm: Brayden is a non-verbal student at Oakstone Academy and lives at home with his family. Brayden has twin siblings Kylie and Tony (also on the autism spectrum). Although Brayden is non-verbal, he communicates his wants very well using his ipad! Brayden has been running for a couple years now, gaining speed and endurance along the way! Besides running, Brayden enjoys amusement park rides (the faster and bigger the better!), waterslides, and swimming. He is also a huge fan of cheeseburgers and French fries! Brayden joined Team Heart And Sole in 2021.
